Gosh where has the time gone? It feels like only yesterday I joined this amazing school and now I am ending my journey here at Temple Grafton. I have made so many memories and learned so many skills here that I wouldn't have learnt anywhere else.

My memorie*r*

I remember finishing my first day here and going home telling my family how great it is here and how much fun I had had. I also remember them asking me what my teachers' names were and as I had completely forgotten them, I said Mrs Cookie and Mrs Biscuit! I also remember when I found out Iris was my buddy: I was the happiest person in the world; I couldn't have wanted anyone else a much as I wanted her - she is so sweet and lovely and makes me smile every day.

What it means to me to be a TG pupil

What I have learnt over the years is that being a TG pupil means to not be afraid of making a mistake. I used to worry about making a mistake all the time but now I don't mind getting an answer wrong. Also, to be a TG pupil means to persevere and keep going and this is one of the hardest things I have learnt but people around me have helped me to succeed in this goal.

Thank you

I would like to say thank you to everyone in year 6 because during my time here you all have been so kind to me and helped me to grow as an individual. I would also like to say thank you to Mrs Gray who has helped me learn so much and also helped me build my confidence. My last thank you is to Mrs Hendry, who taught me a great deal and has been an amazing head teacher for me.

Lots of love Maecie
