

What it means to be a TG pupil

Intro

Where have the last 7 years gone? It seems like only yesterday when I first arrived into Reception class but now I am starting a new chapter, at a new school, with new teachers, and new friends and I couldn't be more excited.

My best memories

I have many great memories throughout my time here at TG including: when we were getting changed one day for P.E and I suddenly realized that my skirt wouldn't come off. It took some pulling from my friends and 3 teachers to eventually remove it. Another great memory was when we were out on the river bell boating and we took it in turns to catwalk up and down the boat: Emily ended up missing her seat and almost toppling into the river.

What does being a TG pupil mean to me?

Being a TG pupil to me means to always persevere and be resilient and to know that it's okay to fail because mistakes shape us to be the person we are meant to be as we learn so much from them.
