

Christmas Greetings to all our lovely TG Families!

December is here, and I know that you'll all be getting into Christmas mode searching for the perfect gifts to give your loved ones. As mentioned the PTA want to bring you the opportunity to discover some new companies and products which have direct links to our school, so that you can support local and together we can give these smaller businesses a boost after what has no doubt been a really tough year for all.

In this first email I am bringing you something a little special as we have been approached by Sarah Bridgewater, one of our fabulous parents, local childminder (Precious Smiles) and owner of Jungle Town Soft Play. She has asked to team up with the PTA to sell some pretty unique Christmas decorations! With 50% of the proceeds going straight to our fundraising pot!

You'll see from the images below they are inspired by the events that have shaped 2020 and feature the year so it's sure to be one we NEVER forget. With space for you to personalise your decoration with your family name, and options as to how many are in your household they will be really unique to you!

We are offering these decorations at just £2 each, please order direct with the PTA by dropping an email through to ptatemplegraston@gmail.com. And remember, there is a limited number of each of the designs so be sure not to miss out!

I'll be back soon with more products from local sellers to tempt you with!

Happy Shopping 🎄👶

Suzanne – PTA Co-Chair
