

Tuesday, 15th June 2021

Dear Parents & Carers,

In view of yesterday's announcement by the Government to delay the easing of lockdown, and in line with Warwickshire County Council directives, we will not be able to invite parents to our sports' day this year. I know many of you will be disappointed and I am truly sorry; we had hoped it would be otherwise.

We will be holding our sports' day on Tuesday, 22nd and so that the children can enjoy the sporting atmosphere, we will organise them, on the field, into their bubbles so that they can spectate and cheer each class along, safely distanced.

All children will need to come to school in their TG sports' kit on Tuesday, 22nd, with a full bottle of water, a sun hat and sunscreen.

Best wishes,

Best wishes,

Mary Gray
Head of School
