

Friday, 2nd July 2021

Dear Parents and Carers,

Following the closure of our Class 2 bubble, I am writing to confirm arrangements for the delivery of remote learning.

Remote learning will start from Monday, 5th July and your child's class teacher will be in contact to let you know the structure of your child's day of learning. This will be designed to follow that of a regular school day as closely as possible. Your child's class teacher will ensure that they have at least one live session with their class each day to discuss their work and address misconceptions.

It is more important than ever that all our children can maintain the routine of the school day and it is our expectation that children will complete the work set by their teachers. Class teachers will be closely monitoring children's engagement with the learning provision so that they can track progress.

If any families are having any issues accessing remote learning, including lack of devices or connectivity issues, please contact the school.

Thank you for your support.

Best wishes,

Mary Gray
Head of School
