

## **PE and Sport Premium expenditure:**

### **Temple Grafton C of E Primary Report: 2020/21**

#### **Our Vision for PE and Sport**

At Temple Grafton C of E Primary we believe that P.E. and Sport play an important role in the development of our children. Regular participation in P.E. and Sport lead to improved physical and mental health and wellbeing, better levels of concentration, attitude and academic achievement. We aim to encourage a lifetime love of sport and keeping fit and encourage children to be the best that they can be.

#### **What is the Sports Premium?**

Since March 2013 the Government has been providing additional funding to primary schools to support the improvement of provision of PE and sport. The funding is ring-fenced and can only be spent on PE and sport in primary schools. The amount allocated to each school is calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census. The head-teacher and governors are accountable for the spending of the funding. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport. It is to benefit primary-aged pupils and to encourage the development of healthy, active lifestyles

#### **How is the Sports Premium used at Temple Grafton C of E Primary School?**

Our aim is to spend the Sports Premium in such a way that it has a direct and sustained improvement on sports provision in the school, not only for the current pupils of the school but also for future pupils. We are utilising the Primary PE and Sport Funding to improve the quality and breadth of our PE and sport provision through improving the quality of teaching and learning in PE, encouraging our pupils to adopt healthy lifestyles and taking part and competing to a high level in a wide range of sports activities and tournaments.

#### **The five key indicators where improvements should be seen are:**

1. The engagement of all pupils in regular physical activity, aiming for 30 minutes a day within school time.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.
